I.WHO WE ARE

- "Northern Engineering Bd" is an independent firm of designers, architects, planners, engineers, environmentalists and technical experts providing a wide range of professional services. It was first established as a proprietorship in 2018 and registered in the Republic of Bangladesh in 2021.
- "Northern Engineering BD" is committed to the sustainability of the community, our clients' businesses and the environment in which we live and work. Our first goal is to meet your engineering needs, meet your project expectations and provide cost-effective solutions.
- "Northern Engineering BD" promises the same attention and expertise in every project. We have designed a wide range of public and private development projects, also involved in implementing the challenging nature of construction and interior works.
- "Northern Engineering Bd" has already completed many projects including building design with internal work sectors of private/government organizations in Bangladesh.
- "Northern Engineering Bd" is “metaphor your thoughts” & “Our work reflects our pride”.
